Goodyear, United States 📍

I am a Strength Coach turned Web Developer with a passion to further my knowledge in the world of Web Development

EDUCATION

Bachelor Degree
Arizona State University

- Exercise Science Major with an emphasis on sport performance

Associate Degree
Estrella Mountain Community College

- EMCC business program

WORK EXPERIENCE

Strength Coach
Glendale Community College

12/2013 - Present

Achievements/Tasks

- Glendale Community College has helped me to create and manage data that I used to help periodize workouts for the athletes I worked with.

Office Manager/ Strength Coach
The MMA LAB

08/2011 - 02/2020

Achievements/Tasks

- Created programs for members, as well as track profit and memberships

Intern
Cincinnati Reds

02/2010 - 05/2010

Achievements/Tasks

- Worked with the team in the front desk during spring training. I worked on small tasks like handling mail to working the scoreboard for one of the games.

Business Development Intern
Globetrotters

11/2008 - 06/2009

Achievements/Tasks

- As an intern, I worked on meet and greet packages and communicating with box offices around the nation to reserve VIP tickets for priority guests. I helped create a final recap for ticket sales and profit

SKILLS

`CSS` `SCSS` `HTML` `JavaScript`

`jQuery` `SQL` `TypeScript` `Python`
